Warning to Skiers

Skiers and ski lift passengers are governed by the New York State Safety in Skiing Code, Article 18 of the New York State General

Obligations Law. Before affixing your pass or allowing any pass to be affixed to your person, your attention is directed to a posted "Warning to Skiers" that is displayed where your pass is purchased. The Safety in Skiing Code requires of you to seek out, read, and understand the "Warning to Skiers" before you decide to participate in the sport of skiing.

Skiing, like any other sports, contains inherent risks including, but not limited to to the risk of personal injury or death or property damage. Therefore, Royal Mountain takes appropriate measures to protect skiers from undue, unnecessary and unreasonable hazards, including those created by skier conduct, excesses and attitudes. Skiers who create such hazards for themselves, or other skiers, can be arrested under Article 18 of the New York State General Obligations Law and may be required to leave the area. They will be denied skiing privileges at Royal Mountain.

I purchase this ticket for myself and/or family members, having read and understood the above.
